

## GARBUTT PHOTOGRAPHY ALASKA PHOTO TOUR – 2011

### BEARS, EAGLES & AMAZING SCENERY ALONG THE KATMAI COAST

*The areas of Hallo Bay and Kukak Bay in Katmai National Park, Alaska are world renowned for their wildlife and scenic beauty. Capture unparalleled images of bears, eagles and a vast array of wildlife! This informative, hands-on workshop will provide a unique opportunity to advance your photography skills while capturing images of a truly wild Alaskan environment.*

#### **KUKAK & HALLO BAY**

**A photo tour like no other!**

**Join me July 5 – 12, 2011**

*The workshop starts with a float plane trip from Kodiak, Alaska over to Katmai National Park, where we board the Coastal Explorer which will be our home and base for the duration of the trip. The days will include excursions by zodiac to shore where we will have opportunities to get amazingly close to bears clamming on the beach, eagles & other shore birds, to practice your macro skills with the beautiful array of wildflowers, or to just relax and enjoy the amazing scenery.*

#### **ITINERARY**

**TRIP COST: \$4,995.00**

##### **July 5th 7:00 - 9:00 pm**

Meet & Greet at Anchorage hotel. Hotel room included. (Meals on your own)

##### **July 6th**

Early morning departure from Anchorage airport to Kodiak (flight cost not included). Connect to the float plane to head to Kukak Bay and board the Coastal Explorer (L,D)

##### **July 7 - 11th**

With the Coastal Explorer as our base, we will travel the coast of Katmai, spending nights in sheltered bays. There will be numerous excursions via Zodiac to the shore where you will be equipped with hip boots to explore the wildlife in the area. Photograph bears (hopefully with cubs), eagles and a vast array of wildlife and scenery (B,L,D)

##### **July 12th**

We'll travel back to Kodiak today, in time to catch the flight back to Anchorage, and the late evening flights out of Anchorage to your home destination.

##### **Details:**

The Coastal Explorer I is an excursion ship that accommodates 6 guests plus the captain, cook and photography guide. Previous participants have described the food as exceptional, and with advance notice we will do our best to accommodate any allergies or special requests. Sorry, no single supplements as the cabins on-board are designed for 2 people.

##### **Payment & Deposit:**

A 20% deposit is required 10 days after your registration has been confirmed. The balance is due 45 days prior to departure.

##### **Included:**

First night hotel in Anchorage. Float plane from Kodiak to the Coastal Explorer. Meals as indicated. Park entrance fees, taxes, shore excursions, waders & accommodations on boat.

##### **Not included:**

Airfare from your departure city to Anchorage & then on to Kodiak. Average airfare cost from Anchorage to Kodiak is approximately \$250.00. We will recommend the best flight times, but for the best fares please book early. Meals outside of those listed and items of a personal nature are not included.

For more information or to register, please contact me directly via e-mail or phone.
